WHY THE WBS ESV STUDY EDITION BIBLE?

The English Standard Version (ESV) is a literal translation in modern English. The specially-created WBS Study Helps:

- equip current and next generations to pursue truth in a post-modern world
- teach the principles of New Testament Christianity—including one's faith and baptism response to the Gospel
- integrate with WBS' Bible lessons—encouraging continued personal study
- sensitively lead non-Christians to consider Biblical truths
- include a helpful chronological daily Bible reading plan.

The Bible includes a concordance, and is attractive and durable.
